J. James Wood & Son, Maysville, Ky., Declare That Hem-Roid Will Cure Any Case of Piles

By authority of Dr. J. S. Leonhardt, J. James Wood & Son, Maysville, Ky., guarantee that Hem-Roid, an internal tablet remedy, will cure any kind of piles, no matter how bad.

Dr. Leonhardt is the celebrated specialist who discovered that the cause of piles is internal and in giving his remedy to the public said: "Hem-Roid will be sold only under a guarantee that it will cure any case."

"GIRLS" NEXT SATURDAY NIGHT.

Clyde Fitch, the author of "Gilda," which, under the management of Sam S. and Lee Shubert, comes to the Washington Theater on next Saturday night, may be classed as America's most successful playwright. Much of his success is due to his close observation of the life and habits of men and women in general. It is said he owes his latest success to three of his young girl friends; one an artist, one a stenographer and the other, like himself, a writer. His friends were remarkable inasmuch as they believed mere man to be a sort of nuisance and he himself often came in under the last of their pointed remarks.

Fitch studied these girls and finally concluded that they were just the characters needed in a new play he had in view. To think was to act, and the result was the creating of "Gilda."

DESTITUTION

Claims This Home—Husband Crippled, Wife Blind; Nine Children

If some of our good citizens could have accompanied Mr. Al Wallace to the home of John Sapp, in Short street, Tuesday, while the election shouting was raising the roof off the atmosphere, they could have witnessed a scene of avarice and destitution that would arouse the sympathy of the most stoney hearted.

The husband, John Sapp, was in bed suffering from a mangled foot sustained several weeks ago while working on the river landing near the wharfboat, and the hurt was so serious that he nearly lost his foot; Mrs. Sapp is blind, and there are nine children in all. Some of them are grown, but poverty, disease, dirt and desolation marked their home until Mr. Wallace raised by subscription the sum of \$20.35 yesterday morning and bought a delivery wagon full of groceries and some clothing and delivered it to Sapp's home himself. There was joy in this poor home for once, and Mr. Wallace and the good people who gave the money to such a worthy cause can know from this that what little each gave amounted in the aggregate to enough to keep the wolf from the door for at least a few weeks.

Here is a chance for Maysville's Board of City Missions to do a little practical work. We have the poor always with us and our home

wretchedness should appeal to our charity before we send our money and our spectacle, long-haired men and women on pleasure trips to heathen lands (?)

JOHN FRYE

Name of the Man Who Was Found Dead Tuesday Night

As stated yesterday, the body of the man who was found Tuesday night under the C. and O. viaduct was identified as that of John Frye of Sand Hill, Lewis county.

Frye was about 29 years of age and married. When last seen by friends of his neighborhood he had hoarded the C. and O. Huntington Accommodation to return home. He was seen hanging onto the steps of the coach and as he was under the influence of liquor it is supposed that he fell from the train, thus sustaining injuries which caused his death.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and builds, and all honest dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

To all who are interested in the Cemetery, then, we extend a cordial invitation to be present on Sunday, November 7th, 1909, in Saint Patrick's Church, Maysville, Kentucky, at 10:30 o'clock, when a solemn Requiem Mass will be sung and a sermon on the sacred theme preached by Rev. Father Augustine, C. P. Respectfully, P. M. JONES, Pastor.

ELECTION ECHOES.

At Dover, Dr. F. M. Smith was elected Police Judge over Dr. Hutchings by 1 vote. T. C. Creekham was elected Marshal over Rees Kirk.

They've got to throwing dynamite bombs to Jackson, which shows it's getting up-to-date. Schwab, Republican, wins Cincinnati Mayoralty by 8,000.

At Newport, Yungblut, Republican, is elected Circuit Judge by less than 30 votes, while at Covington the vote for Circuit Judge is a tie between McD. Shaw and Tracy, each receiving 7,158 votes.

Newport voted \$100,000 for improvements. Republicans won in the large Ohio and Indiana cities.

San Francisco retired Francis J. Heney, who has won National fame as prosecutor of the graft cases.

Bracken county Democrats elected the entire county ticket by a majority of 500.

Greenup county, a Republican stronghold, gave an approximate Democratic majority of 300, electing every man on that ticket. This is claimed to be the result of a bitter factional fight which has been waged against Congressman Bennett, and which, it would appear, will likely send the death knell to his aspirations to succeed himself by a re-election.

The county seat of Boyd county remains at Catlettsburg by a big majority.

Portsmouth, Ohio, went Democratic.

Ashland elects entire Republican ticket.

When the result of Tuesday's elections is analyzed it is found that the victory is a stand-off between the two great parties. While the Republicans lose in Louisville and Lexington, they win in Fayette county, Newport and Covington. Tom Johnson, Democrat, was defeated for Mayor of Cleveland by Herman Baehr, Republican, and the latter party carried Cincinnati and Indianapolis. Nebraska, Bryan's State, also went Republican.

AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me." — Mrs. EMMA IMSE, 838 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

Good Reward, Good.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Causes Debility

Here Are Facts Backed Up by a Strong Guarantee.

Catarrh causes debility. In my opinion, most people suffering from general debility have catarrh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarrh. In every case where my remedy fails to give entire satisfaction I will not charge a cent for the medicine employed during the trial. Now, surely, no one should hesitate to believe me or to put my claim to a practical test under such conditions. I will take all the risk; no one else can lose anything by the transaction.

I make these statements and this offer because I know and have time and again proved that Rexall Muc-Tone rarely fails to do as I claim. It is not a "cure-all" prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarrh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the tonic and alternative power to correct faulty metabolism (discharge change) and to stimulate and help nature overcome the causes or causes of catarrh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

I want you to try Rexall Muc-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell me and the money you paid for the treatment will be returned without any argument whatever.

Rexall Muc-Tone comes in two sizes, 50c. and \$1 a bottle. Sold only at my store—The Rexall Store. Then J. Chenoweth.

The proposed agreement between Council and Wilson Hospital in regard to a free bed and other grants, in consideration of the sum of \$300 to be paid in monthly installments of \$25, was offered for acceptance and adoption by the Committee having the matter in hand. The Mayor called Council's attention to an oversight in the document, and on motion he was authorized to consult with Mr. Clark, representing the Hospital, and have the oversight corrected in the agreement before final action is taken.

A paper was read and received from Messrs. Thomas Evans and Oliver Hord authorizing Council to pay over to the Farmers' and Traders' Bank any money due them by the city for contract work.

Member Clooney spoke on a privileged question concerning his recent race for re-election as a member of Council. He stated that it had come to his ears that certain persons were intimating that his election was not clean cut, but was tainted by underhand work; that he did not desire the office unless he held the seat rightfully and honorably. He requested that the Mayor appoint a Committee to recount the vote.

President Stallcup stated such procedure was not within his purview, but in case the other fellow contested his election he would appoint a Committee to investigate.

There being considerable surplus in Bank the Ways and Means Committee was authorized to take up such outstanding indebtedness as the funds on hand will permit.

Chairman Crowell of the Internal Improvement Committee was authorized to secure an expert to tighten up the bridge over Lime-stone Creek in East Second street.

DON'T DO IT

Burning Leaves or Waste of Any Kind on the Brick Streets is a Violation of City Ordinance

It is more than likely that persons who have been guilty of burning dead and dried leaves, that fall in front of their property, on the brick streets, did it through ignorance of the fact that they were violating a City Ordinance.

Moreover, it is destructive to the bricks, not only causing them to crack and break, but also ruins the filling and impairs the street generally.

THE LEDGER is satisfied that it is thoughtlessness on the part of the offenders and a mere calling attention to the fact that it is a violation of law and damaging to the streets, will cause a cessation of the practice.

What the Great Operatic Artists Are Doing

Great artists like Melba, Calve, Farnes and others devote a much care to the preservation of their physical beauty as to the development of their voices. Hair and complexion demand the greatest care. A smooth, velvety and rosy complexion in connection with a radiant head of hair will transform the most commonplace looking female into an attractive and fascinating woman.

Women in professional life thoroughly understand this fact. How often we hear the expression, "What a beautiful head of hair," or "What a lovely complexion," etc. Take a woman for instance, of fifty years, whose hair has become streaked with gray. If she thoroughly realized that Q-Ban Hair Restorer would restore her hair to its youthful beauty and abundance, what would she not pay to become possessed of it, and if she knew that applications of the Restorer to the face would remove all pimples, blotches, etc., and improve the complexion a hundred fold, beside making her appear fifteen years younger, would she not? Dr. Nott says that he never in his entire practice, failed in one single instance to restore gray hair to color, depending solely upon Q-Ban Hair Restorer, and that for diseased conditions of the scalp, falling hair, dandruff, etc., or to increase the growth of the hair, the Q-Ban Hair Tonic was always to be relied upon. All druggists have it for sale. Try it. If you use six bottles and the results are not as claimed, your druggist will refund your money.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Elia Drug Co., Memphis, Tennessee."

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment.

Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is.

Now supposing you had a bad back.

A Lame, Weak or Aching one.

Would you experiment on it?

You will read of many so-called cures.

Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony.

Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief.

About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my loins.

When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents.

Correct Shoe Fitting

Fall Shoes.

We cannot emphasize too forcibly the importance of a perfect fit. It is a correct fit over the toes, giving them plenty of room, ease and comfort. The heel must have that flexible, gentle pressure which makes the snuggest of snug fits. That you will find in shoes that are made on lasts that conform to the natural shape of the foot. That is what makes the fit so accurate.

Our stock has every grace line to make them attractive. Briefly, the reason is suppleness—they bend with the foot.
